ROTARY

Rotary is an opportunity to build lifelong friendships and experience the personal fulfillment of providing volunteer service to others. Rotary is the number one service club in the world. It will expose you to a wide range of service projects in your community as well as around the world. It will give you a chance to give back to your community some of the benefits your community has given you.

Rotary was founded in 1905 by Paul Harris on the basis of exchanging information with people in diversified careers, fellowship and community service. The weekly meeting locations rotated among the members. Today, Rotary has 1.2 million members in 32,000 clubs providing community service in every nation in the world. Rotary will allow you the opportunity to make a difference in the world. Yes, the world. In 1985 Rotary International initiated a worldwide vaccine program to inoculate the children of the world against the five major childhood diseases. The program wiped out polio in the western hemisphere as of September 1994 and will soon achieve a polio-free world.

OUR VISION

To bring many more dedicated people to the Rotary fold. To bring positive relationships among the members with creative, inspiring, interesting activities and programs. To accomplish worth vocational, international, community and youth service projects which will address the needs of society. Finally, to develop the organization as a model institution which attracts everyone to look forward with hope, faith and enthusiasm.

THE OBJECT OF ROTARY

The object of Rotary is to encourage and foster the ideal of service as a basis of worthy enterprise and, in particular, to encourage and foster:

FIRST: The development of acquaintance as an opportunity in a service;

SECOND: High Ethical standards in business and professions; the recognition of the worthiness of all useful occupations; and the dignifying of each Rotarian's occupation as an opportunity service society;

THIRD: The application of the ideal of service in each Rotarian's personal, business and community life; and

THE AVENUES OF SERVICE

CLUB SERVICE- providing service to the Rotary club to enable it to run efficiently in the spirit of fellowship;

VOCATIONAL SERVICE-putting high standards of conduct into practice in the business and professional lives of Rotarians;

COMMUNITY SERVICE-identifying needs in the Rotary Club's community and addressing these needs with service projects; and

INTERNATIONAL SERVICE-working for international understanding and peace by promoting goodwill between all people.

OUR OBJECTIVES AND PRINCIPLES

The objectives of our Rotary Club are:

- To encourage and foster the ideals of support and commitment that a worthy service club should have in a community.
- To provide fellowship amongst our members and recognize the worthiness of all occupations.
- To advance together as a team in serving our community and spreading goodwill and peace in our country and throughout the world.

OUR ACTIVITIES

Some of our best known accomplishments are the purchase of the first life saving Thermal Imager for the Menomonie Fire Department, equipping all squad cars in Dunn County with automatic external defibrillators and renovating the Historic Caddie Woodlawn house. Our major fund-raiser, Rotary Fest, is an annual wine, beer and food tasting experience. The evening has proven to be a very successful event for our community and fund-raiser for the club. Our other main fund-raiser is our annual Rose sale.
